

Dr. Varun Razdan received his bachelor's degree in neurobiology from the University of Wisconsin before moving on to the Virginia Tech Carilion School of Medicine, where he received his Doctor of Medicine degree. Dr. Razdan attended the University of Wisconsin Hospitals & Clinics, where he completed his diagnostic radiology residency and concluded his training there with a fellowship in abdominal imaging and intervention.

Dr. Razdan's professional interests include oncologic imaging, abdominopelvic MRI, and thoracic imaging. In his spare time, Dr. Razdan enjoys hiking, kayaking, sailing, and spending time with his wife and daughter. The Razdan family are very excited to enjoy all of the outdoor activities Colorado has to offer.
