

Dr. Atharva Thakore began his medical career with an undergraduate degree in Combined Sciences from Youngstown State University, in Youngstown, OH. Remaining in Ohio he received his medical degree from Northeast Ohio Medical University in Rootstown, OH. After medical school, Dr. Thakore continued his education as a resident in diagnostic radiology at the University of Cincinnati Medical Center in Cincinnati, OH, where he also completed his fellowship in breast imaging.

Dr. Thakore's professional passions include mammography, breast interventional procedures, and breast MRI. In his personal life, Dr. Thakore enjoys taking care of his houseplants, hiking and skiing.
