

Dr. Nathan Drasler's career in medicine reflects a deep commitment to both advanced clinical practice and innovative research. He began his academic journey with a bachelor's degree in biomedical engineering from the University of Minnesota, Institute of Technology in Minneapolis. His pursuit of medical excellence continued at Touro University California in Vallejo, where he earned his Doctor of Osteopathic Medicine degree.

Dr. Drasler's journey in radiology took him to Albuquerque, where he completed a rigorous diagnostic radiology residency and an integrated nuclear radiology fellowship at The University of New Mexico, School of Medicine. His professional focus is on nuclear radiology, with particular interest in dementia and cancer imaging, as well as the development of new radiopharmaceuticals.

Outside of his professional pursuits, Dr. Drasler embraces an active lifestyle, enjoying a range of outdoor activities such as running, biking, hiking, and swimming. He also values spending quality time with his family, balancing his professional responsibilities with personal fulfillment and well-being.

For more information about Advanced Medical Imaging Consultants' radiologists or services, please contact Andi Dresen, Client Services Manager, at 970-484-4757.
