

AMIC WELCOMES

Dr. Matthew Homsi began his academic journey by attending Rutgers University in New Brunswick, NJ, where he majored in physics, with a minor in biological sciences. After graduating from Rutgers, he earned his Doctor of Osteopathic Medicine from Rocky Vista University College of Osteopathic Medicine in Parker, CO. He continued his medical training by completing his residency at Norwalk Hospital in Norwalk, CT, and received fellowship training in neuroradiology at Thomas Jefferson University in Philadelphia, PA.

Professionally, Dr. Homsi specializes in neuroradiology, but is also interested in body imaging, as well as MRI physics. When not engaging in his professional passions, Dr. Homsi enjoys travel and backpacking, hiking, exercising, and working with technology. He is currently working on smart home integrations.

For more information about Advanced Medical Imaging Consultants' radiologists or services, please contact Andi Dresen, Client Services Manager, at 970-484-4757.
