

# AMIC WELCOMES

Dr. Vanessa Sanders began her academic journey by earning a Bachelor of Science in biology and chemistry from Southern Nazarene University in Oklahoma. She went on to obtain an additional bachelor's degree in nuclear medicine, as well as her Doctor of Medicine, from the University of Arkansas for Medical Sciences. Dr. Sanders completed her medical training with her residency and a body MRI fellowship, both at Mallinckrodt Institute of Radiology in St. Louis Missouri.

Dr. Sanders is board-certified in radiology and nuclear medicine, with an overall specialization/interest in oncology imaging. She is fellowship-trained in body MRI and has extensive experience in breast imaging. She has a passion for radiology in general and enjoys figuring out the puzzle in front of her with every case she opens, all while providing her patients with the highest quality of care possible.

In her personal life, Dr. Sanders is married with two daughters. The family are avid skiers and also love to hike, explore nature, and visit national parks in their area. In her spare time, Dr. Sanders also enjoys running, playing the piano, reading, and playing board games.

For more information about Advanced Medical Imaging Consultants' radiologists or services, please contact Andi Dresen, Client Services Manager, at 970-484-4757.
